

REMARKS/ARGUMENTS

On information and belief the Examiner approved an Examiner's Amendment on or about January 28, 2005, amending claims 1, 2, 8, 9 and 10 to correct a typographical omission so that these claims are consistent with the text used, e.g., in claim 33 as allowed. In the event, due to the concurrent withdrawal of this application from issue and submission of a Request for Continued Examination, the Examiner's Amendment is not officially entered in the record, the above effects the amendments made by the approved Examiner's amendment.

Early and favorable Action are solicited.

Respectfully submitted,

NIXON & VANDERHYE P.C.
